LONGEVITY PAY SCHEDULE

To recognize the past and future contribution made by the long-term Professional Employee to the district, a Professional Employee will be provided a Longevity Bonus. This bonus will be provided the year the Professional Employee reaches the step and will be paid in one lump sum at the end of that year.

The bonus will be:

\$250 after 25 years of employment

\$300 after 30 years of employment

\$350 after 35 years of employment

\$400 after 40 years of employment

\$500 after 45 years of employment

Years of service will be determined by the current hire date of the Professional Employee. Service must be continuous. The years of service will be calculated by subtracting the current hire date from the current year. If a Professional Employee was on an approved leave of absence, this time will be considered and counted towards the years of service.
